EXPERIENCE

Economic Analyst Intern (Visitor) - International Monetary Fund, Washington DC

Aug – Sep 2024

- Conducted macroeconomic and financial policy analysis for the OEDMD constituency (Algeria, Ghana, Iran, Libya, Morocco, Pakistan, Tunisia), preparing impact assessment briefs to support IMF Executive Board deliberations across 7 member countries
- Worked under Executive Director Bahador Bijani and Senior Advisor Saifullah Dogar; selected through the competitive UC Washington Program — one of few undergraduates placed at a multilateral institution

Policy Research Intern - The World Bank Group, Washington DC *Jul – Aug 2024*

- Supported the Executive Director's office by analyzing policy reports and drafting strategic content for work programs spanning 8 MENA countries
- Developed fact sheets and sectoral strategy input for MENA country programs; conducted targeted research for the Pakistan Country Strategy Framework 2024

International Student Representative - ASUCD, UC Davis, Davis, CA

May 2024 – May 2025

- Elected to represent 6,000+ international students; secured funding for multiple RSOs, championed student rights through structured advocacy, and facilitated direct dialogue between international students and university administration
- Organized cross-cultural panels, workshops, cultural nights, and collaborative events to amplify international student voices and expand institutional support networks across campus

MENASA Resources Community Organizer - UC Davis, Davis, CA

Oct 2023 – Jul 2024

- Planned and executed 15+ community events — including speaker series, cultural nights, workshops, panels, and game nights — engaging 20–50 students per event across the MENA, South Asian, and Afghan student communities
- Developed digital communication and social media strategies to expand outreach; established local organizational partnerships to strengthen community infrastructure and support network

Business & Economics Research Intern - SouthAsia Magazine (Hybrid), Lahore, Pakistan

Dec 2023 – Jan 2024

- Researched and reported on international business news, financial trends, and political-economic developments across South and Southeast Asia for feature stories and analysis pieces
- Conducted data analysis on macroeconomic developments and trade dynamics, translating complex financial information into accessible editorial content for a broad readership, and maintained editorial accuracy through rigorous fact-checking and copy-editing across print and digital formats

Policy Intern - CoRe Alliance (Pakistan's first packaging recycling alliance), Washington DC

Jul – Sep 2023

- Prepared policy briefs on circular economy frameworks and conducted research on the emerging UN global plastic treaty and potential institutional partnerships
- Developed a legal roadmap for establishing the Alliance's first international office in Washington D.C., analyzing regulatory requirements and strategic partnership opportunities

Founder Water4Pakistan, Lahore, Pakistan

2019 – 2022

- Founded a social media advocacy platform to raise awareness about water conservation and pollution in Pakistan across Facebook, Instagram, and Twitter and crowdfunded \$5,000 to support clean drinking water initiatives for school-going children in rural Punjab
